# Mayor Cherelle L. Parker's Vision

# Mayor Parker's Vision

Public safety must go beyond violent crime and include strong, consistent quality-of-life enforcement.

Neighborhood conditions that affect residents' daily lives are viewed as directly connected to broader issues of safety and disorder.

Executive Order 1-24 establishes a comprehensive agenda addressing both crime reduction and quality-of-life concerns.

The Philadelphia Police Department must align priorities with this vision through a strategic, proactive 100-day plan.

# Impact of Speed Cameras

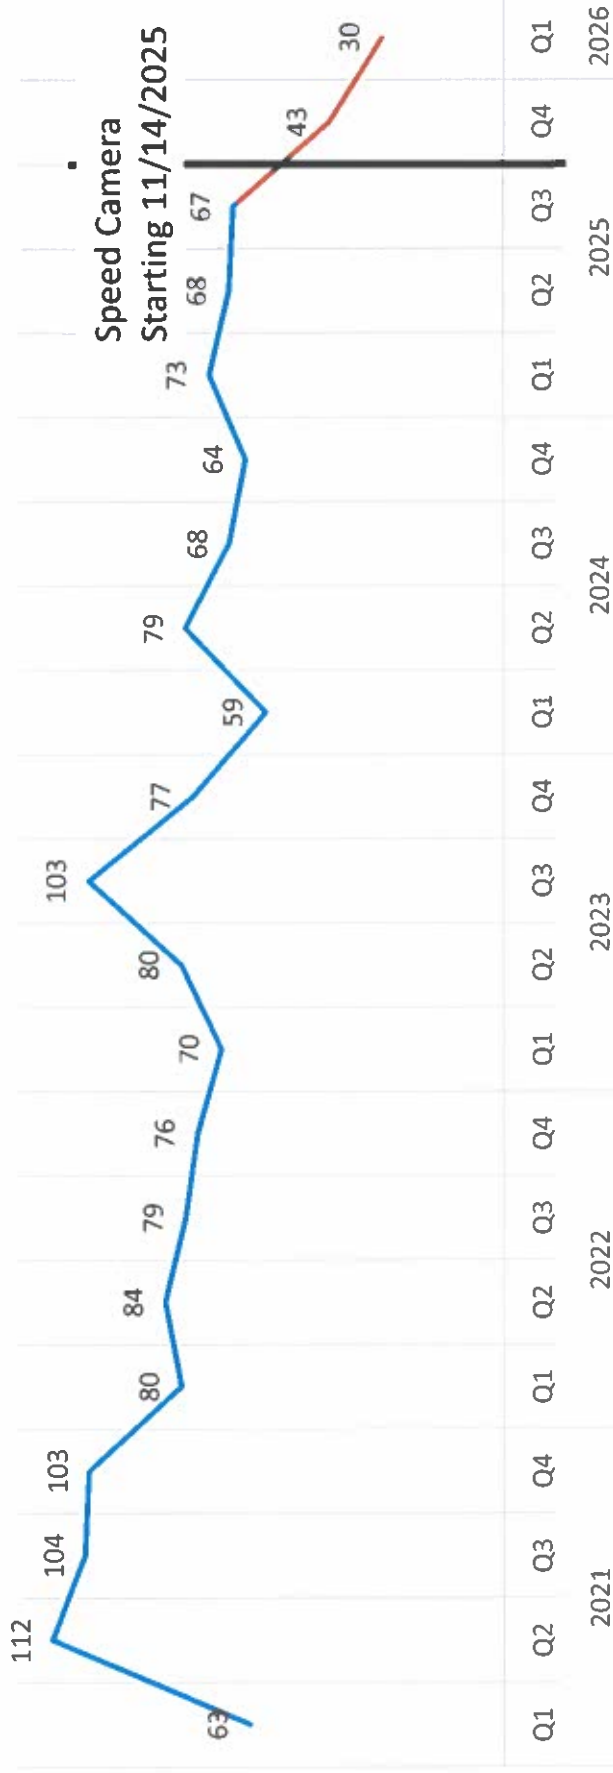

Senate Majority Policy Committee – Reckless Driving

# Roosevelt Blvd Reportable Crashes by Year

Reportable Crashes are crash incidents involving injury to or death of any person; damage to any vehicle to the extent that it cannot be driven under its own power in its customary manner without further damage or hazard to the vehicle, other traffic elements, or the roadway, and therefore requires towing.

# Broad Street Reportable Crashes by Quarter

Early counts indicate a reduction of reportable crashes from previous quarters after implementing speed cameras
